

ABATE Of Wisconsin, Inc. - The Share the Road Program

Share the Road is a motorcycle awareness training program that promotes driver awareness and increases drivers understanding of how motorcyclists behave in traffic. Our goal is to make drivers aware of their responsibilities toward other vehicles on the road... especially motorcycles.

Topics include (but not limited to); Seeing vs. Perception, Visibility, Motorcyclist's Driving Decisions, Eliminating Distractions/Texting, Lane Positioning, Following Distance and Passing.

This Share the Road Program is available to Driver Education Classes (our primary focus), Community Service Groups, Civic and Church Organizations, AARP / Senior Citizen Events, Fire Departments and Fleet / Commercial Vehicle Operations, etc.

- This program meets the legal requirements of Wisconsin Act 466 and Act 55 requiring that **Motorcycle Awareness** be taught in all Drivers' Education classes.
- ABATE of Wisconsin provides trained volunteer Share The Road (STR) Instructors to present this program. A comprehensive video (on DVD) is provided when an instructor is not available.
 - The 40 – 60 minute STR program is presented at your facility free of charge.

ABATE of Wisconsin believes that education and training are the best ways to **prevent**, and thereby **reduce**, motorcycle / vehicle crashes.

- Crash prevention is the key to reducing injuries and fatalities on our nations' roadways.

STR Instructors are Trained and Certified through a three step process. First the Instructor views a class, then co-trains a class and finally leads a class with a Certified Trained STR Instructor present.

- Most of our STR Instructors have many years of experience and have taught hundreds of students.

ABATE of Wisconsin is a motorcycle rights & safety organization - not a club. We are dedicated to the freedom of the road and are committed to motorcycle safety through rider training and motorist awareness campaigns.

We serve on the Wisconsin DOT Motorcycle Safety Advisory Council (MOSAC). We attend and participate in related conferences including; The WDTSEA Conference, The Governor's Safety Conference, The Lifesavers Conference and other key safety conferences / events.

Contact the Bill Kingsley - Share The Road Director at sharetheroad@abatewis.org or call 262-391-9396 for more information and to schedule a presentation at your facility.
