

ABATE of Wisconsin's Junior Patriot Program

ABATE of Wisconsin's Junior Patriot Program allows children from birth to legal driving age to become acquainted with ABATE of Wisconsin: motorcycle rights, safety, and education.

Junior Patriots receive a full color sew on patch, a Junior Patriot ID Card, and several age-appropriate informational mailings each year. In addition to these mailings a monthly Junior Patriot Corner will be published in the ABATE of Wisconsin Newsletter which adult ABATE of Wisconsin member may share with the Junior Patriot.

Cost is a one-time payment of \$25.00 per child and remains active until the child reaches legal driving age in Wisconsin. At legal driving age a standard ABATE of Wisconsin Membership will be offered at the price in effect at the time. Junior Patriot fee is non-refundable and non-transferable. The Junior Patriot Program does not include any rights of ABATE of Wisconsin membership as detailed by the ABATE of Wisconsin Constitution and Bylaws. All personal information collected through the program will be held in complete confidentiality. (Aug 2011)
