ABOUT THE RALLY

The Summer Hummer is a 3-day Motorcycle Rally held each June in Greenwood, WI. and is one of our major fundraising events of the year. Sponsorships are an integral part of the Summer Hummer as it allows us to defray some of our expenses and offers attendees entertainment such as live music, motorcycle specific activities, demonstrations, vendors, and a ride to the High Ground Veteran's Memorial in Neillsville. Sponsorship information in this packet allows for several levels of sponsorship options to consider. If you have not sponsored this long running event in the past, please look over the materials provided and be sure to contact us with any questions. The Summer Hummer State Rally is held on our own property in Greenwood, WI. and is used during the summer months by our members for our annual Family Campout, ABATE Regional Events, various other fundraisers, as well as our Board of Director's meetings.

ABATE of WI programs include:

Safe Rider, Inc. – A Motorcycle Training Program, instructing riders in the proper way to operate a motorcycle.

Share The Road – A Driver's Education Presentation for high schools, private driving schools, and community-based organizations that informs attendees how and why motorcycles behave the way they do in traffic, and to watch for us while on the road.
